So what else can you
do for me?**

REPAIR & RESTORE... When Replacing is not an Option

No one needs to tell you that with today's economy, few companies are spending money on new roofs this year. So how do you cope with the loss of business and keep your company growing?

Offer your customers a cost saving & economical solution to their leaky roof problems!

EternaBond MicroSealant tapes can provide a quick, simple and permanent fix until your customer is ready for that new roof. And guess who he'll remember when that day comes?

Roll widths up to 48" available!
